Infrastructure:

Description:

This impressive house is located very close to the center of Sant Vicenç de Montalt, ideal for those looking for a versatile and spacious home, perfect for several families.

The property extends to 4 winds and has large terraces that invite you to enjoy the outdoors. On the first floor, there is a cozy kitchen-dining room and a living room, both with access to wonderful terraces that are connected to each other, creating an ideal environment for entertaining. In addition, on this floor there is a guest bathroom and a laundry area.

Ascending to the upper floor, there is the night area, which includes a magnificent suite with access to a sunny terrace, perfect for enjoying the good weather. The suite is equipped with a full bathroom including shower and jacuzzi, as well as a dressing room. On this same floor, there are two additional bedrooms and a second full bathroom, which perfectly complement the private area of the house.

One of the most distinctive aspects of this property is the basement, which has an area of 200 m². It is currently used as a home and also as a business space, which makes it an ideal place to offer accommodation for a second family or to establish a business venture, as it has direct access to the garden terrace of the house and a completely independent entrance.

Undoubtedly, this house represents a unique opportunity for those who are looking for a home with space, privacy and the possibility of living in community with family or friends.
